New Covenant Church begins Easter-Passover Event with Church wide Fast and Prayer-To God be the Glory

This is the first time in the history of the New Covenant Church, that we have observed Palm Sunday and Easter-Passover services sheltered at home. We give honor to God through Jesus Christ for leading Pastor Willis to begin internet services to continue preaching the Word of God that helps to keeps us on one accord. The Lord also lead our pastor to have previous Palm and Easter-Passover services streamed for Holy Week. As the global emergency began to near the Passover-Easter observance days, the Lord had our pastor to exhort the saints to go with him on a three day fast ending on resurrection Sunday. We give the Lord all the glory for allowing the able bodied and the infirmed to unify in this wonderful worship even though the church members were staying home because of city ordinances.

Submit yourselves to every ordinance of man for the Lord's sake: whether it be to the king, as supreme; Or unto governors, as unto them that are sent by him for the punishment of evildoers, and for the praise of them that do well. For so is the will of God, that with well doing ye may put to silence the ignorance of foolish men:
 (1 Peter 2:13-15 KJV)
