#### **HEALTH AND NUTRITION**

Follow these five easy steps to help prevent the spread of COVID-19

Sneeze or cough? Cover your nose and mouth with a tissue or use your elbow.

Wash your hands often with soap and water for at least 20 seconds.

Clean and disinfect surfaces around your home and work frequently.

Keep at least 6 feet between yourself and others if you must be in public.

Wear a cloth face covering over your mouth and nose when around others.

Please consult your physician before making any diet or lifestyle changes. NCC Health & Nutri on Team
