

The Urgency of Corporate Prayer

A Visual Motivation to Pray without ceasing

corporateprayer

During our present, schedule that has been used during the present health crisis, the Wednesday evening services are not being held. Pastor Willis has instructed our church to use that time for “Corporate Prayer”. When we are obedient and all that are able pray around the same time, the Lord hear the prayers and unity and sends blessings on his saints. Here are reminders to reemphasis and motivate the church to start and continue this holy project.
