

21 Years of Service in Jesus Christ

The 21-year milestone as head minister has been reached for Pastor Willis as Bishop of the New Covenant Church and President of the Board of Trustees of the Roland James Allen Evangelical Association. Bro. Willis was called to our church's leadership in a period known as the NCC 911 and led

the saints out and into a time of healing and Biblical workings. We pray for the Lord's blessing as he leads us into the future. We also thank the Lord our mother of the church, Sis. Lisa M. Willis for standing with the pastor during his tenure. By the Glory of His Grace.

Sharing Christ Healing Love in Uvalde

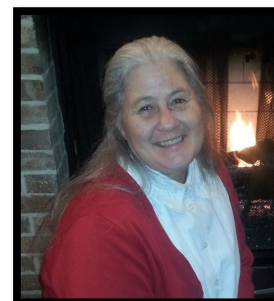

The last major event of 2022 was in Uvalde Texas. The entire congregation came together, following the vision of Pastor Willis, to present God's love to a hurting community with three events; a Christmas concert, OCG toy distribution, and a Christmas musical program. All hands were on deck with Operation Christmas Gift and Blessing, music by Pure Inspiration, First Light and Anointed Praise Choir interwoven with gospel thoughts by Bishop Willis. Everyone worked behind the scenes with setup, tear down, helped with the banquet services and ushering. Pray for Uvalde's revival. Inside is a brief pictorial history of this glorious undertaking.
