

Pastor Willis and Team leave for Belize

Personally, Delivering Spiritual Encouragement

Friday, May 19, 2023 at 7:45 Bishop Willis, pictured center, (flanked on the left by Brothers Kendal Johnson, Stan Bell, and Manual Lopez, with on the right side Brothers Steve Etheridge, Russell A. Richard and James Boxton), left on a missionary trip to our Sister church in Punta Gorda, Belize. While there they will be busy performing various forms of God's business. They will also visit Belmopan to be a blessing to Belize New Covenant church's oldest saint in the Lord, Sister Ancella Guy. Let us pray travel mercies as the team moves about the country and returns to us.

OCG Celebrates 20 years of Community Service

An Incredible Distribution in Uvalde Texas ushers in Thanksgiving

Operation Christmas Gift is amazingly the most community supported of all the NCC outreach programs. How fitting it is that after the most challenging of all distributions, which is the Uvalde Texas program, it was during OCG's 20th year of existence. The Lord revealed the need for this special "love in a shoebox" event to Pastor Willis as an entrance for the consoling power of the gospel. The Lord's presence was felt as our pastor guided OCG and the rest of NCC to come together for this special distribution and Christmas program. The NCC and OCG held a dinner for the OCG staff and contributors with gratitude to The Lord for the hard work that was put in and to note the 20-year birthday of this special ministry. What follows are pictures of the church presentation and the dinner that was held April 29th at Tres Amigos Mexican food restaurant.
