The Lord's Supper

“This do in remembrance of me.”

September 17th is the time scheduled for this event that was began by Jesus Christ. Pastor Willis has used the scriptures to teach the church the proper relationship we should have with the Lord before partaking in this special, holy, service during this year of being more intentional. He is taking calls to set up a counselling time for any that need help in preparing for this Holy Service that we observe along with the Foot Washing Service. September 17th is drawing closer, and our Pastor is teaching the church how to prepare for it.

Yom Kippur

The highest of Jewish Holidays created for Atonement.

It was created because of this incident: Just months after the people of Israel left Egypt in the year 2448 from creation (1313 BCE), they sinned by worshipping a golden calf. Moses ascended Mount Sinai and prayed to G-d to forgive them. After two 40-day stints on the mountain, full Divine favor was obtained. The day Moses came down the mountain (the 10th of Tishrei) was to be known forevermore as the Day of Atonement—Yom Kippur.

The Day of Atonement became a Hebrew observance in Leviticus the 16th chapter.
