Temptation versus Testings or Trials

Testing or Trials: Source: Initiated or allowed by God to prove, build, and refine character.

Purpose: To reveal what is already in the heart, foster spiritual growth, produce endurance and draw a person closer to God. Outcome: Designed for success and spiritual promotion; God provides the strength to endure. James 1: 2 – 3 notes that the testing of faith produces patience or perseverance.

Temptation: Source: Originates from internal sinful desires, the world, or Satan. God never tempts anyone to sin. Purpose: To entice an individual to disobey God, exploit personal weaknesses, and lead to spiritual corruption or destruction. Outcome: Designed for failure, through God offers a way of escape for those who resist (1 Corinthians 10:13) Whereas James 1: 13 clarifies that God cannot be tempted with evil, neither tempt He any man.
